Board has to bear 1/3 of the entire charges of the Hospital

The Board's Budget for 1929-30 is estimated to result in a deficit of Rs 16,64,57 & in this connection the Board want to retrench their expenditure & have made the present proposal on the ground that the two City Municipalities do not bear any portion of the charges of the maternity hospitals at Bangalore & Mysore. No provision has been made for the ~~Contribution and Relief~~ for the maternity hospital in the Budget of the City Municipality.

The report of the Director of Public Instruction

recurring charges. The argument that in the case of Maternity Hospitals at Bangalore and Mysore the City Municipalities concerned do not meet any portion of the charges does not hold in the present case. The Kolar Gold Field contains a large floating population engaged in the mining industry but for whom no Maternity Hospital at the place would have been necessary.

6 (b) In these circumstances, there appears no justification to waive the charges now being paid by the Sanitary Board. In view of the straightened condition of the Sanitary Board, however, the proportion may be reduced from one-third to one-fourth until such time as the Board improve their finances and are in a position to resume payment of one-third of the expenditure.

S. Subbarao.

8) The K G F Sanitary Board has also applied for similar concessions in regard to the charges of the G D Hospitals. The request is one which may perhaps be considered by the Finance Dept. in connection with the Medical budget of the ensuing year.

14/6/29

9) Yes

17/6.

Note—Contn. Sheet.

Serial No.

10) The position of the Maternity Hospital at Robertsonpet is not on all fours with those of the Maternity Hospitals at Bangalore & Mysore. These latter hospitals are provincial institutions while the one at Robertsonpet is purely a local one. The very fact that the Govt. is paying 2/3 of the recurring charges is itself a great concession. Any increase in the Govt share of cost would not be a legitimate charge on the State Funds. The Charges on account of medical relief & Maternity aid in local areas are a legitimate and paramount charges on the funds of the Local Bodies. The K.G.F. Sanitary Board is a Specially Constituted local body for the Sanitary Areas & they are bound to afford at their own expense medical relief & maternity aid to their Constituents - a large floating population collecting on account of mining industry.

11) If the Senior Surgeons proposal made at the end of his U.O. note is accepted, there will be an annual increase to the Med! budget to the extent of about Rs 1,300, on account of the Maternity alone. It is also stated in the note from the L. S. G. Branch

Note—Contn. Sheet

WD 01684—GPB—30,000—20-4-29

Serial No.

that there is a similar proposal regarding the E.D. Hospital at Robertsonpet. The total extra cost ~~of~~ may perhaps be about Rs 2,000 per annum. Whether the Medl budget can bear this extra cost is a point for consideration.

12) The Finl: Secy, has to be consulted.

Ltr meeting of the Sanitary Board recommending the continuance of the maternity at Robertsonpet for a further period of three years, the entire charge being met by Govt.

237 Subd. The Senior Surgeon has proposed that the cost payable by the Kgf Sanitary Board be reduced from 1/3 to 1/4 cost and has suggested that the Mining Board, the employees of which make use of the hospital largely should pay something towards maintenance & the strengthening of its staff. But the Sanitary Board do not want to bear any portion of the cost for some time to come. It appears therefore necessary before taking further action to consult the (1) Sanitary Board about their bearing 1/4 of the cost and (2) the Mining Board about their bearing a portion of the cost of maintenance of the dispensary. Subd wrote 2 drafts. ——— ———

General and Revenue Secretariat | M&L File No. 131 of 1929.

Serial No.

The entire cost being borne by Govt. The present cost borne by the Sanitary Board is reported to be Rs 5,272 a year and there is a proposal separately under consideration to increase the staff at an annual addl expenditure of Rs 6,115, to be entirely borne by Govt. That means that if the San: Boards' request is sanctioned, the State will have to bear an extra expenditure of about Rs 11,400 per annum in addn to the Govt share of the cost now incurred on the Hospital.

The S.S. first suggested that the San. Board may be required to contribute ¼ share instead of ⅓ at present. He now says that it is the mine employees that are mostly benefited by the Maternity and that the Kg. Mining Board ought to be called upon to pay at least a part of the expenditure. He, however, supports the proposed Continuance of the Maternity. He may, perhaps be asked to enquire if in the event of the Maternity being continued as recommended, the Mining Board will be prepared to bear a definite share of the cost to be fixed say ⅓.

OFFICE OF THE PRESIDENT, SANITARY BOARD,
KOLAR GOLD FIELD.

1926-1927

Dated, Champion Reefs, 16th May 1929

From

A.P.Ramanathan,Esq.,B.A.,

President, Sanitary Board, Kolar Gold Field,
CHAMPION REEFS.

GEN. & SECT. 5138
21 MAY 1929
L. S. G. BRANCH.

To

B.Narayanaswami Iyengar,Esq.,B.A.,B.L.,

Offg: General Secretary to the Government of
His Highness the Maharaja of Mysore,

Bangalore.

SIR,

I have the honour to state that the K.G.F Sanitary Board have, at their meeting held on 22-3-1929 in connection with the passing of the Budget Estimates of Receipts and Expenditure of the Board for the year 1929-1930, resolved that Government be requested to bear the entire charges of the Maternity Hospital, Robertsonpet with effect from the year 1929-1930.

A copy of the Board's Resolution is submitted herewith.

In this connection I beg to state that the 1/3 of the recurring charges for the establishment and maintenace of the Maternity Hospital at K.G.F is being met from the Funds of the K.G.F Sanitary Board in accordance with Government Order No.4564-8med 110-11-5 dated 4th January 1912.

When the present Maternity Hospital was started in Robertsonpet the recurring charges payable by the Sanitary Board amounted to Rs.172 per month or Rs.2064 a year. These charges have now risen to Rs.5272 a year owing to the increase of pay and grant of allowances to the staff as well as to, the increase in Dieting, bedding and other contingent charges. The Board are also maintaining a general Dispensary at Champion Reef at a cost of Rs.1719 per year. The finances of the Board are not of-late in a very flourishing condition and the Board cannot bear the heavy recurring expenditure of Rs 5272 every year wothout undue curtailment of other necessary requirements. The Board have also a large expenditure to bear

13

bear on the establishment of the Child Welfare Centre and the Veterinary dispensary, not to mention the heavy expenditure on the Sanitary staff.

Further in the case of Maternity Hospitals at Bangalore and Mysor the City Municipalities concerned do not seem to bear any portion of such charges, which are born entirely by the State funds.

In these circumstances I request that you will be so good as to obtain the sanction of Government as per Board's resolution, to bear the entire charges of the Maternity Hospital, Robertsonpet with effect from 1929-1930 by Government, thus treating the K.G.F in the same manner as the other two cities.

I have the honour to be,

Sir,

Your most obedient servant,

FOR PRESIDENT,

K.G.F Sanitary Board.

Proceedings of the Special Meeting of the Kolar Gold Field Sanitary Board, held on Friday the 22nd March 1929, at 3-30 P.M, in the Sanitary Board Office at Champion Reefs.

---

x x x x x x x

1. Draft Budget Estimates of Receipts and Expenditure of Kolar Gold Field Sanitary Board for the year 1929-30

Resolution.-The Draft Budget Estimates for 1929-30 are approved subject to the following modification:-

The Travellers' Bungalow at Champion Reefs which is not serving any useful purpose may be abolished and caretaker's post on Rs.11 per mensem retrenched.

The Budget as approved, will stand as follows:-

	Rs.
Opening Balance	-13,526
Receipts	98,617
Total ...	85,091
Expenditure	1,01,736
Closing Balance	-16,645

As against this closing balance, the Sanitary Board have a sum of Rs.24,100 invested partly in Fixed Deposits in the Bank of Mysore and partly in the Mysore State Loan Bonds (6¼ per cent).

(2) Further resolved that, in view of the present financial condition of the Sanitary Board, the Government be requested to bear from 1929-30 one-half of the entire charges of the Epidemic Diseases Hospital, on the analogy of such Hospitals in the Cities of Bangalore and Mysore.

(ii) and that for the same reasons, the Government may be requested to bear the entire charges of the Maternity Hospital, Robertsonpet with effect from 1929-30

CHIEF SEC... BY. 19 NOV. 1929

Sir,

Adverting to Government Order No.G.2945-7/Med.53-26-2, dated 14th September 1926, I have the honor to forward for orders of Government an extract of the Proceedings of the meeting of the Sanitary Board held on 25th October 1929, recommending the continuance of the Maternity Hospital at Robertsonpet for a further period of 3 years from 1st October 1929 the entire charge being met by Government.

(In this connection I may invite reference to my un-official note No.G.C.582-1 dated 7th June 1929 and G.C.582-3 dated 9th November 1929 fixing the contribution by the Sanitary Board at 1/4 instead of at one third of the total cost until such time as their finances improve)

It seems to me that the Mining Board should legitimately meet the entire or at least a major portion of the annual maintenance charges of this Institution which is used almost exclusively by the families of the mining employees, and but for whom there would perhaps be no justification at all to continue the Maternity Hospital on the Kolar Gold Fields. May I suggest that the Mining Board be requested to bear at least a part of the annual expenditure? The volume of work in the Institution has increased very much and the staff should be correspondingly strengthened if efficiency is to be maintained. This involves additional charges which the Government cannot be expected to meet over and above the larger share of expenditure which they

P.T.O

(9

they have to bear in consequence of the straitened financial condition of the Sanitary Board.

I have the honor to be,

Sir,

Your most obedient servant,

S. SubbaRao

SRA. Senior Surgeon.

6. Letter No.32 dated 4th March 1930 from the Secretary K.G.F.Mining Board, intimating that the Mining Companies will be willing to contribute through the medium of the K.G.F.Sanitary Board up to a sum not exceeding Rs.6,000/- per annum towards making up the Board's contribution to the

1. The Maternity Hospital, K.G.F., Robertsonpet)
2. The Epidemic Diseases Hospital, K.G.F., do..) marginally noted institutions to the extent of
3. The General Dispensary, Champion Reefs.)

such portion of the agreed contribution as the Board may find themselves unable to pay according to the revised Budget figures for each year ending 30th June begining with he accounts for the year 1929-30.

Resolution:- The Board, in accepting this generous offer of the Mining Board, desire to convey to them, their grateful acknowledgments for the assistance rendered; and would request the Mining Board, for purposes of administrative convenience, to agree to the contribution for the succeeding year being also fixed in advance at the time of framing the Budget, instead of at the time of preparing revised estimates, the amount being payable, however, in January of the year of grant. The Sanitary Board request that on the basis of the revised estimates for 1929-30, a contribution of Rs.6,000/- for 1930-31 be paid in January 1931.

Sd/- A.V.Ramanathan,
PRESIDENT.

" C O P Y "

Champion Reefs.
Dated 4th April 1930.

Vice-President,
K.G.F.Sanitary Board.

The Kolar Gold Field Mining Board, Oorgaum.

March. 4. 1930. Ref. No.32.

A.V.Ramanathan, Esq., B.A.,

President, K.G.F.Sanitary Board,

Champion Reefs.

Sir,

In reference to the financial support which has been given by your Board in the past to the Government Maternity Hospital, Robertsonpet, the Epidemic Diseases Hospital and the General Dispensary at Champion Reefs my Board as you are aware have been much concerned at the anticipated inability of your Board to continue the full measure of such support by reason of declining income.

It is understood that this information was communicated to Government in May 1929 whereupon Dr.S.Subba Rao, Senior Surgeon, with the Government of Mysore approached the Mining Companies to ascertain if alternative financial assistance could be obtained from them. The Mining Companies were at first disinclined to consider such request but as a result of Dr.Subba Rao's correspondence and of a conference with him they have decided to make a contribution provided that Government continue their direct support to the institutions in question in the same proportions as heretofore and enhanced in the case of the Epidemic Diseases Hospital as it is understood they do in the cases of similar institutions in Bangalore and Mysore Cities and elsewhere.

In accordance with the above decision I have now the honour to inform you that the Mining Companies will be willing to contribute through the medium of your Board up to a sum not exceeding Rs.6,000/- per annum towards making up your Board's contribution to the aforementioned institutions to the extent of such portion of their agreed contribution as your Board may find themselves unable to pay according to the revised budget figures for each year ending 30th June beginning with the accounts for the year ~~1929~~ 1929-30.

I shall be glad to be informed if this undertaking is agreeable to your Board.

I have the honour to be,
Sir,
Your most obedient servant,

Sd/- W.R.Crocker.

Secretary.
